

1. As of this date, waiting for a million word (or less) understandable document on how we squeeze Dar-win-ism into the Scriptures.
2. As of this date, waiting for a million word (or less) understandable document on how we squeeze billions of years into the first day of creation.
3. As far as a 6000 (or so) year universe - 3 Bible passages:

Genesis 1 {The Creation - 1a AM, 710 JP, 4004 BC}

1. In the beginning God created the heaven and the earth.
2. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.
3. And God said, Let there be light: and there was light.
4. And God saw the light, that it was good: and God divided the light from the darkness.

5. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.

Exodus 20 {The Fourth Commandment}

8. Remember the sabbath day, to keep it holy.

9. Six days shalt thou labour, and do all thy work:

10. But the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates:

11. For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day, and hallowed it.

Revelation 21

18. For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book:

19. And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.

But if you would also like a reasonable scientific explanation: see Answers in Cosmology tab.

It does not take a rocket scientist to understand how ‘God said’ He did this in ‘six’ literal days.

And like God, find rest in His Perfect Work.

If you are a rocket scientist, you should be grateful to God for giving you a gift to glorify God.

Otherwise we all suffer the plagues of Rev 22 by ‘adding unto’, especially ‘In the Beginning’.

And maybe ‘adding unto’ the end is just as perilous.

(Sure these are not salvation issues, but they are faith, mission and quality of life issues. Did Adam doubt God’s account of the first 5 days of Creation? Did God really say that?

Cain most certainly scoffed at the notion. Etcetera....

Even today, I am still surprised when I hear scoffing (or doubting, or dismissing) the 6 Day concept and from the Christian community. And most importantly from the pulpits.

We offer up many prayers for the trial of the Saints, but how many are just band aids applied to the wounds inflicted by the decaying culture around us. If the roof is leaking we fix it, or we live with the mildew? We blew it on the first 5 verses of the Bible?)

Adding unto, especially ‘in the beginning’, or even ‘after the end’ only causes us to forget what is in the middle, and what actually happened. And the Gospel is what happened and it is our task to present it as accurately as possible. Sure, no sheep are lost, but how shall we then live, generation to generation?

James 3:1. My brethren, let not many of you become teachers, knowing that we shall receive a stricter judgment.

2 Timothy 4

1. I charge you therefore before God and the Lord Jesus Christ, who will judge the living and the dead at His appearing and His kingdom:

2. Preach the word! Be ready in season and out of season. Convince, rebuke, exhort, with all longsuffering and teaching.

3. For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers;

4. and they will turn their ears away from the truth, and be turned aside to fables.

5. But you be watchful in all things, endure afflictions, do the work of an evangelist, fulfill your ministry.
