**501. NK-In the second year of Elah and the twenty-seventh of Asa, Zimri killed Elah and his entire family. [E45] He then reigned in Tirzah for seven days. But the soldiers at Gibbethon, a town of the Philistines, made Omri, the general of the army, king. He came to besiege Tirzah, and Zimri set fire to the king's palace, destroying both it and himself. {#1Ki 16:15-18}**
